Product End of Life (EOL) Notification

Dear Valued Customer,

Thank you for choosing Kongsberg Target Systems as your provider of electronic target systems. We appreciate the opportunity to support your business.

This notification is to inform you that the following products is reaching “End of Life” status and will be discontinued for future support.

Affected Products

KTS Part no.	Description
97090000	SDU-1 (Central Unit type 1 – MpX)
97250000	SDU-2 (Central Unit type 2 – MpX)
97140000	Orion competition software

Includes all sub-products where above listed items are integrated as part of the product.

Kongsberg Target Systems AS

Hedenstadveien 342
3618 SKOLLENBORG
NORWAY
VAT Reg. No. 971 155 884

Phone: +47 32 76 30 00
E-Mail: support@kongsberg-ts.no
Web: kongsbergtargets.com

EOL Reason

The range of affected products has been on the market from the early 2000s and has now reached the time when it's getting challenging with access to necessary components and resources for support and repairs.

A new range of products and technology is ready to replace the discontinued products, securing your electronic target system to still be operational for years to come.

SDU-1

SDU-2

EOL Notification Dates

Last Order Date (LOD):	Passed
EOL Notification date (EOLA):	May 2024
End of Life (EOL):	01.January 2025
End of Support (EOS):	01. January 2025

Product End of Support Period (EOS)

From the date of EOL/EOS all product related support, for the affected products, will no longer be available.

Replacement Product Details

The latest version of the central unit (SDU-3) for the MpX generation of KTS electronic target systems is available as a direct replacement for the SDU1/SDU2 (*)

Pegasus competition management software replaces Orion when transition into SDU-3.

Alternatively, Kongsberg Targets Systems also have a completely new generation of electronic target system (eScore) released to the market, for customers considering taking the step up to the latest available technology.

Please consult your local Kongsberg Target Systems sales representative for information on the new generation systems supporting the needed functionality.

() – specific project configuration to be checked upon upgrade.*

Response
